SIGN UP

PRODUCTION 2025

IT'S NOT TOO LATE TO JOIN US

If your dancer is 7 or older they can register to join us for our 2024-25 PRODUCTION. There will be a sign up sheet posted on the whiteboard with those who have already registered along with room for more dancers to join.

Not sure what a production entails - here is an explanation:
Production is a dance with an unlimited amount of dancers on stage at one time. The dance is 10 minutes long and includes genres - jazz, tap, ballet, lyrical and musical theatre.

Our production will compete at all 3 competitions as well as at our annual recital. This is a great opportunity for the studio to dance together as well as having dancers from young all the way to senior perform together creating memories that will last a lifetime.

TAKE YOUR BEST GUESS

We love a good guessing game!!

We encourage your dancer to guess what our production theme is this season.

Have your dancer write their name and their guess on the whiteboard.

We will be announcing the theme in Mid-October.

PRODUCTION WILL START JANUARY 2025

ADULT TAP CLASS

Come and Dance with Kylie

We are excited to offer an Adult Tap Class to anyone interested in learning the art of tap dancing or has tap danced in the past.

Kylie is offering the class to anyone interested in joining. At this point we are just taking down names. We need enough interest from adults before we can host the class.

If you are interested please shoot us an email. We will be taking down names for a few weeks. We will keep you posted if we get enough interest.

The class will run on Tuesdays from 9:15-10:00pm.
