

# DANCE AT A GLANCE

## After School Drop Off

For any classes that start at 4:00 on Monday, Tuesday, Wednesday and Thursdays the front door at the studio will be unlocked at 3:40pm for classes that begin at 4:00.

We thank you for your understanding.

## Message from the Directors

The studio is in full swing as we get ready for the upcoming competition season. This month we will have competition schedules to email out (as soon as final drafts come our way) we will send them out to all our competition parents. We also have RAD exams in March. More information about those will be sent to those dancers participating in their Ballet Exams.

## Attendance

As we are working to finish all the dances in class we are reminding everyone that attendance is VERY important!

If we have dancers missing multiple times in a class it can lead to that particular dancer not attending upcoming competitions. Please make sure your dancer is in class each week.

## Competition Schedules

We are waiting to get our final drafts of each of the competition schedules. We will send them out via email to all the competition families as soon as possible. Please be advised that the time listed is the time you must be there with your dancer ready to go onstage. Hair, make-up and costume must all be done.

## Rental Times

For those soloist and duet dancers that are wanting to practice at the studio we have opened up more days and times for you to sign up for.

We want everyone to have the opportunity to practice in front of the mirrors and large space. If you want to sign up please use the link that was sent in an email in January. If you require a new link sent please let us know and we can send it.
